

La zone accordéon

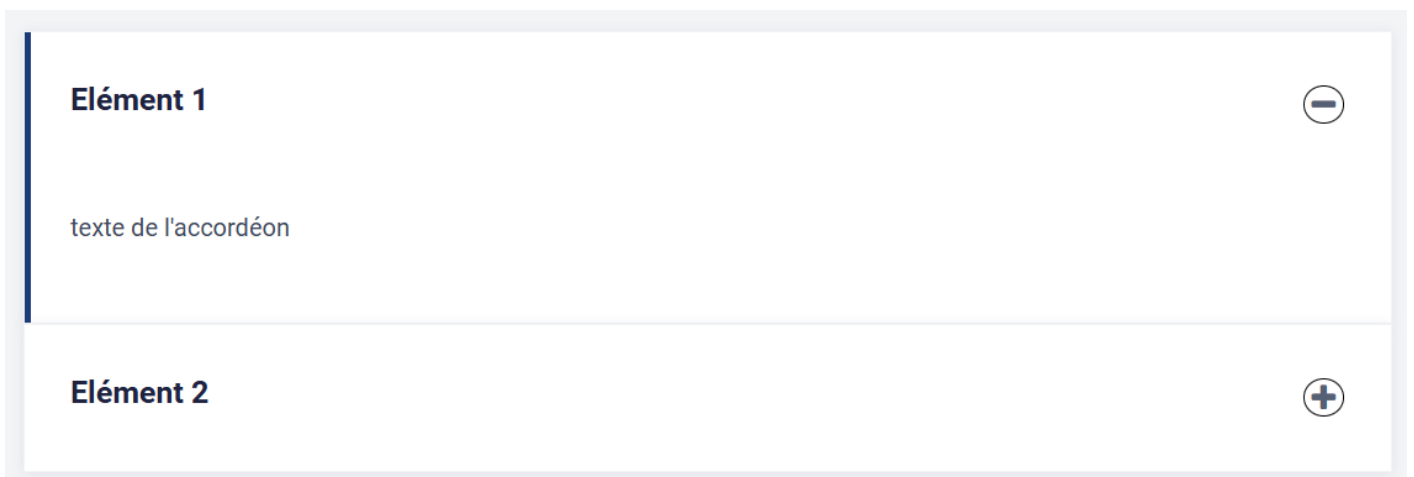

L'accordéon se crée avec le bouton 

Il est composé d'un titre et d'un texte

The screenshot shows a user interface for creating and editing an accordion. At the top left is a plus sign icon. On the right are checkmark and close icons. The main area contains two accordion items. Each item has a 'Titre' (Title) field with the text 'Elément 1' and 'Elément 2' respectively, and a 'Texte' (Text) field with the text 'texte de l'accordéon'. The text field includes a rich text editor toolbar with icons for bullet points, bold (B), underline (U), italic (I), and code (</>). Below the text field, a message reads 'Text has been Cleaned!!!'. At the bottom left, there is a trash icon with the text 'Supprimer l'élément' and a checkbox labeled 'Fermer automatiquement les autres accordéons à l'ouverture de l'un d'entre eux'. At the bottom right is a plus sign icon with the text 'Ajouter un élément'.

Côté apprenant

The screenshot shows the final appearance of the accordion for a learner. It consists of two items. The first item, 'Elément 1', is expanded and has a minus sign icon on the right. The second item, 'Elément 2', is collapsed and has a plus sign icon on the right. The text 'texte de l'accordéon' is visible under the first item.
